Old Business

3. Penny told the election board that Century Center has a $60.00 fee to patch to connect to their sound system on top of the $125.00 set up fee. They are waiving the fee for the screen, but we must provide the projector and microphones. Schmucker Middle School will provide a podium with microphone, projector and screen.

4. Catherine said the County Council approved the funds to move forward to buy new election equipment. Catherine stated that she thinks it is better to implement the new equipment in the General Election because the Commissioners still need to approve the contract with RBM and fine tune the amount of equipment to be purchased. Catherine asked Keith to make the contract a not to accede amount and to resend the contract with Jamie’s suggestion. The board agreed to implement the equipment in the General Election.

5. Catherine asked Keith if he would do the training on M100s. Keith said he would do the training. He asked that we give him any training material we have, and Janet go over them. Keith wants the epoll book presentation to go first, then he will train the M100 and Catherine will go over the contents in the bag.

New Business

6. Catherine wants Keith to have more scanners for Central Count. Keith said he will bring a bigger scanner and show them how it works.

7. Catherine explained to Jamie that there is a disconnect between VSTOP and IEC and they have a disagreement about a function on the Freedom Vote. Catherine and Keith explained the process of the function that is in question. Catherine asked Jamie to determine if the Election Board has discretion to use this feature or does it truly violate any law if we do.

8. Rita explained the security camera contract has been approved. There will be two cameras at the warehouse, directed at each door where machines are stored and five cameras in the clerk’s office.

9. Lana told the Election Board that she talked to the Auditor and the request to change the Central Count workers is on the agenda for the County Council meeting.

Public Comment

12. Debbie Ladyga-Block voiced a concern about not using the Freedom Votes in the Primary Election. A discussion was held as to why we shouldn’t go forward in the Primary. Catherine explained the Commissioners had question about the amount of polling locations, so she didn’t think there will be enough time to put the Freedom Votes in the polling locations or the Primary. It was decided to recess this meeting to see what the Commissioners decide at the meeting on March 19.

13. Rick asked both parties to provide seven precincts for the Public Test.
