

# Get your Cub Scouts and Webelos out and active in the great outdoors...

...while you take a break from all the planning!

Our programs teach stewardship, knowledge and personal safety in our wild and beautiful parks.

Cost: \$5/scout  
\$50 minimum

Location: Schedule a program at any one of our parks:

Bendix Woods County Park  
Spicer Lake Nature Preserve  
St. Patrick's County Park  
Ferrettie/Baugo Creek County Park

Call 574/654-3155.

\* Parent or den leader participation is expected during Cub Scout and Webelos programs.

*Your Place for Outdoor Family Fun!*

# Cub Scout and Webelos Programs

[www.sjcparks.org](http://www.sjcparks.org)

## Lion Adventures

Mountain Lion 1 hour  
While exploring with a naturalist, learn what to take on a hike, how to stay safe in the outdoors, and how to respect the natural world.

## Tiger Adventures

My Tiger Jungle 1.5 hours  
Explore the sights and sounds of nature, discover the world of birds and see how many things you can find on a one-foot-long micro-hike!  
Tigers in the Wild 1.5 hours  
Learn how to safely prepare for a hike. While hiking, investigate the trees, plants and animals that you find along the way!

## Wolf Adventures

Paws on the Path 2 hours  
Hike and explore while learning safety and respect for nature. Discover the animals, plants and insects that share our world.  
Finding Your Way 1.5 hours  
Learn to use a map and compass, and use your skills to go on a hike and a scavenger hunt.

# Complete these adventures with the St. Joseph County Parks!

## Bear Adventures

Fur, Feathers and Ferns 2 hours  
Use binoculars and magnifying lenses to observe wildlife and examine plants. While hiking, look for signs of the mammals, birds, reptiles and insects that live nearby.

## Webelos Adventures

Cast Iron Chef  
Review the basics of food safety and nutrition, practice fire-building skills, and prepare a meal using two outdoor cooking methods.

### Into the Wild

Explore bird migration, native animals and food webs. Look for animals and their signs while hiking, and discover an aquatic ecosystem.

### Into the Woods

Discover the world of trees and plants by investigating tree rings, plant species and tree parts. Find out how trees help us, and how we can help them.

### Webelos Walkabout 2.5 hours

Plan a hiking adventure, pack a lunch and first aid kit, and prepare by learning about possible hiking hazards. While hiking, demonstrate good outdoor behavior and complete a service project.
